

Joe Alex Cavalier

November 1965 - March 2026

Joe Alex Cavalier, 60, of Victorville, California, passed away on March 21, 2026, doing what he loved, chasing the open road on his Harley Davidson. He found his greatest freedom on the back of his motorcycle, camping under the stars, and exploring the vast landscape of the United States. Joe was especially drawn to New Mexico, where his parents were born and raised and where he visited generations of extended family. Joe loved to attend the Albuquerque Balloon Fiesta, enjoyed eating red chili, cinnamon rolls at Frontier Restaurant, and driving through the Manzano Mountains.

Born on November 26, 1965 in Glendale, California, Joe lived his first years of life in Whittier before his family moved to Chino, California. After a dedicated professional career with the City of Chino, Joe celebrated retirement as an opportunity to seek out adventure and travel. While he loved the open road, Joe's heart belonged to his family above all else. He shared 41 beautiful years of marriage with his beloved wife Gabriella Lynn (Rico), with whom he rode the bus to school as a kid. Joe and Gabriella built a life together rooted in love and in laughter. They were inseparable.

Joe took immense pride in building a close-knit family. He was a loyal husband, father, son and son-in-law, uncle and true friend. Joe dedicated himself to helping others, including carrying the message of sobriety to many.

Joe is survived by his wife Gabriella and their three daughters, Julie, Jodie, and Hannah; his father John; and his sister Judy Lesseg.

He is also survived by his grandson Waylon, who brought complete joy to his life. Waylon and "Big Papa" were often found in the garage working on trucks, bikes, or other projects. Joe leaves behind a deep and wide circle of friends and extended family who will cherish the memories made during his lifetime forever.
