Brenengen staff present a check for \$2,636.00 to West Salem Lions Club Members for their 'Stuff the Bus' Campaign 2017, benefiting West Salem school children in need of assistance. Throughout the summer, Thursday is grilling day at Brenengen facilities, and menus and preparation are done by rotating departments. All who partake of the meal donate money to give to charity, which is then matched by the company. Great job to all West Salem members of the Brenengen Auto Group!
