

VITERBO UNIVERSITY RONALD MCDONALD ARTS
FOR YOUNG AMERICA FAMILY SERIES PRESENTS

KAMIKAZE FIREFLIES

Sunday, January 28 at 3 p.m.

Viterbo University Fine Arts Center Main Theatre

Children cheer and adults gasp just as loudly as they laugh at the Kamikaze Fireflies. Whether spinning gigantic metal cubes, juggling, stilt-walking, performing daring stunts, breathing fire, or breaking into contortionist backbends, their performances incite awe and laughter for the whole family.
