- ♥ Bake Sale
- ♥ Snacks
- ♥ Live Music

On May 9th, our Loved friend, Nicole Sammann was diagnosed with DCIS (Ductal Carcinoma In Situ) stage zero and Invasive Ductal Carcinoma stage 1A Breast Cancer. Since then, Nicole has had many visits with Doctors and Surgeons to develop a plan to battle this disease.

Nicole had the first of two surgeries on June 4th to remove part of the tumor from the breast. This will be followed by 5 weeks of radiation / 5 days per week as well as a second procedure and chemotherapy treatments in the near future. Due to Nicole's high demand job, Nicole will be unable to work during this time and Doctors have asked that she not work for the next 3-4 months at the very least.

Anyone who knows Nicole in the least knows that she would do anything for anyone at any given time, and this is our time to show her our love and support for her while she battles this disease. We all know that wonderful smile well, her outgoing personality, her kindness towards all she encounters and her love towards those who are closest to her. Nicole is a treasure, let's shower her with the love and support she deserves.

What: Fundraiser to assist with medical expenses

When: Saturday, September, 22nd 2018 (11am-Close) **Where:** Katie's Place-1000 E. 9th St., Winona, MN
