

**The Spirit of Christmas of Chippewa County, Inc.
extends a sincere thank you to all those who sponsored,
volunteered, and participated in the
33rd Annual Spirit of Christmas (SOC) event.**

The county wide community's support and generosity to the SOC, made it possible for 492 families to be served with 1358 children to have a little brighter Christmas.

It couldn't have happened without your help. The assistance with the 2020 campaign came in the form of direct sponsorship of families, funds for SOC to purchase gifts, providing gifts directly, displaying gift giving trees in your workplaces, knitting of mittens, hats, slippers, and scarves, and construction of blankets. All of this help is needed and instrumental to make this possible.

To the local newspapers, television and radio stations for the media coverage and the businesses and workplaces which displayed SOC posters helped to get the word out to county residents about the SOC event.

Thanks also to the volunteers, organizations, and students of area schools, who collected, packed, transported, and distributed the gifts in Chippewa Falls, Cadott, Cornell, and Stanley.

A special thank you to the business which provides a spacious and comfortable "workshop" for the volunteers to carry out the gift preparations for the event.

And finally, a big thanks to all the board members and volunteers of the Spirit of Christmas who work year-round, preparing for this annual event. The success of SOC program continues today because of your dedication to community service.

Spirit of Christmas of Chippewa County, Inc.
is an all-volunteer, non-profit, tax-exempt organization.
