

Sponsored FEATURED PROPERTY

Situated on 4.15 acres of land you will find this custom built home that is just over one year old! Offering 2 bedrooms and 2 baths with the Master bedroom ensuite with a relaxing large soaker tub, shower stall, double vanity and a large walk-in closet! Enjoy the open floor plan which is wonderful for entertaining. The kitchen offers a large island for casual seating and also features Calico Hickory

soft close Beyer cabinets, walk in pantry, high resolution countertops and state of the art slate stainless steel appliances! You will truly appreciate the convenience of the main floor laundry room with plenty of cabinets and storage! The basement is unfinished and stubbed for another bath so bring your ideas to make it your own! No detail has been left out, from the LED lighting, six panel solid oak doors

throughout the home, Spalted Maplewood laminate and vinyl plank floor to name just a few. You will have plenty of space and more with the large 6 cars 30 x 45 attached heated garage with doors on the front and back. This home will not disappoint you at all. Call Joe to schedule your private showing today!
