

Sponsored FEATURED PROPERTY

EXCEPTIONAL LOCATION AND COMFORT ONLY MILES FROM TOWN you will find this nice contemporary style quad level home offering a total of 4 bedrooms with 3 on the upper level and one on the lower level plus 3 bathrooms. This home offers cathedral ceilings and real hardwood floors. The focal point of the great room is the oak mantel and surround wood burning fireplace which is a great place to relax by the fire in the colder months. Enjoy the sunroom which is located off the kitchen which features beautiful windows so that you can gaze out to the

yard which has wonderful wildlife for you to enjoy all year long. This gorgeous wooded lot offers scenic views of the sunsets over the Mississippi River, the river valley and the Minnesota bluffs. The wrap around deck is also a wonderful spot to unwind and take in nature and has already been wired for a future hot tub if desired.

In the kitchen you will find a built breakfast nook overlooking the sunroom and backyard or enjoy the formal dining room which is right off the great room. The family room in the lower level has access stairs to the heated 3.5 car

attached garage that comes with a utility sink as well! The lower level is completed with ample storage space. All appliances are included, plus the pool table in the lower level for great family fun all year round!

This home will be open today from 12:00 – 2:00, take the opportunity to see what country living is like but so close to town!
