

Thank You!!!!!!

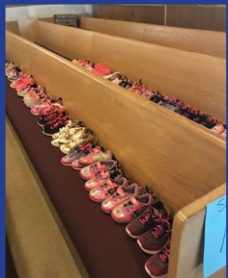

The Northside Neighborhood Family Celebration that took place at Trinity on August 13, 2018 was a huge success!! The neighborhood celebrated with great food, fun activities and live music. Over 265 students received back to school shoes and community resource groups connected with hundreds of neighbors. A great time was had by all. The picnic served over 750 guests a meal provided by Pogreba, Kwik Trip and the Sweet Shop. We sincerely thank the Trinity family, Onalaska First Lutheran and The La Crosse Family Collaborative for the role you played in making this happen! A special thank you to the amazing volunteers and persons who donated their time and hard work, as well as our sponsors who were the foundation of the picnics success.
