**SELLING YOUR REAL ESTATE IS OUR BUSINESS**

**CALL JON TODAY!**

**WE'RE GOING TO GALESVILLE!**

**Wall to Wall Income Opportunity!**

**Galesville, WI**

Very rarely does a bowling alley come on the market. The 6 lanes are made of perfect natural maple wood. Property holds a liquor license and a rented lower level apartment. BUT WAIT, IT GETS BETTER—we will entertain an exchange before the auction. If we do not receive an offer prior to July, we may be conducting an auction on the full property.

**CHEAPER THAN DIRT-DRASTICALLY REDUCED!**

Located on the outskirts of Galesville, this is your chance to own your piece of the block. Just a few remaining lots are left! Quiet streets, these lots are 1 acre and priced to sell right now. This is RIDICULOUS, but the owner says, "Jon, I want to close this project out by the end of the year.

Let someone have their dreams come true!"

**Close to Holmen**

**Cty Rd W  
Town of Onalaska  
30 Acres**

Pristine Hunting! Like the smell of Autumn? Well you'll go crazy on this parcel of land. Just minutes from Holmen! You'll hear the birds, warm the deer & bear of approaching stranger.

Owner says "Jon, I'm just too old to enjoy its pleasures. Just sell it."
