

# ENJOY THE HOLIDAYS WITHOUT THE WASTE

**Give yourself your own gift this holiday season with easy money-saving tips.** When cooking and baking keep the oven door closed as often as possible (and use your microwave whenever possible). Run your dishwasher if you have one—it uses up to 40% less water than washing by hand. Use LED lights when decorating your tree to save 90% compared to traditional lights. Finally, go ahead and buy yourself something nice with all that money you'll save.
