

# Crawford County Public Health **PUBLIC HEALTH SUPERVISOR**

**Crawford County Human Services Department is accepting applications for the position of Public Health Supervisor.**

**DUTIES:** This supervisory position is responsible for countywide Public Health programs and serves as Crawford County Health Officer as designated by the Crawford County Board of Supervisors. The Public Health Supervisor/Health Officer plans, organizes and guides the delivery of public health programs and services according to county ordinances, state and federal laws, rules, and regulations. Responsibilities include a range of public health programs (maternal and child health; coordination with the WIC Nutrition Program; Public Health Preparedness; environmental health; and communicable disease prevention surveillance and control) with an emphasis toward community and system based delivery.

**REQUIREMENTS:** Bachelor's Degree in Nursing from a college or university accredited by the National League of Nursing with preparation in public health nursing or a bachelor's degree in public health, environmental health, the physical or biological sciences or similar field. 3 years of experience in a full-time position with a public health agency, including responsibility for a communicable disease prevention and control program. Experience in a supervisory/management position preferred but not required. Competitive Benefits are available. This position is exempt. Starting wage is \$64,498 and \$66,812 after successful completion of one year introductory period.

**TO APPLY:** Crawford County Job Application is required to be considered for employment. Applications are available at the office listed below or online at [www.crawfordcountywi.org](http://www.crawfordcountywi.org).

.....  
**Applications and Resumes are due on  
December 27, 2017 at 4:00 PM.**
