I have lived in the La Crescent area for the past 12 years. My husband Bryan and I have two little girls, Ruby and Isla, who keep us on our toes. I have built a career in customer service working in banks, hospitals and most recently as a Realtor. Stop in to see me about opening an account, or any other service ESB offers! I'm looking forward to meeting lots of new people and becoming more active in the community.

Hi, I'm Arie. I grew up in Caledonia and graduated in 2011. I currently am in my final year at Winona State University and will be graduating with an accounting degree. I have worked at the bank for about 3 years. In 2014 I received my insurance license. In my free time I enjoy spending time on the river at the family boathouse, shopping or being with family and friends. I look forward to working in the new La Crescent location. If this location is more convenient for you, feel free to stop in and or give me a call.
