District 11 County Councilwoman Sunny Simon Releases Statement Regarding Events of January 28th Council Meeting

CUYAHOGA COUNTY, OH—District 11 County Councilwoman Sunny Simon released the following statement:

"As County Councilwoman for District 11, and as a member of the Jewish community, the events that took place at the Council Meeting on January 28th are offensive and abhorrent. I will not stand for hate, tolerate disruptions or allow any of our residents to feel targeted during what is a lawful meeting. My heart is with our local Jewish and Palestinian communities. However, I will not allow for threats veiled behind proclamations of free speech."
