Investigative Report
On the afternoon of 1/17/20, I went to the [REDACTED] home of State Rep Casey Weinstein, where he informed me that sometime between when he'd collected his mail on the evening of 1/16/20 and when he collected it again on the evening of 1/17/20, an unknown person had placed several printouts of various politically right-wing internet memes into his roadside mailbox. Rep Weinstein surmised that this was a response to his recent proposal of legislation pertaining to private firearm ownership by Ohioans and he asked that Hudson Police increase patrols past his home, particularly during the night shifts. An intra-department email to that effect was sent. 112
