v.

CITY OF BEACHWOOD

Respondent

Case No. 2022-00815PQ

Judge Lisa L. Sadler

JUDGMENT ENTRY

In this public-records case, a Special Master has issued a Report and Recommendation in which the Special Master recommends denying Requester's claim for public records, assessing costs against Requester, and denying Respondent's motion for attorney fees. (Report and Recommendation, 6.)

Neither Requester nor Respondent has filed timely written objections to the Report and Recommendation in accordance with R.C. 2743.75(F)(2). Pursuant to R.C. 2743.75(F)(2), if neither party timely objects, then this Court "shall promptly issue a final order adopting the report and recommendation, unless it determines that there is an error of law or other defect evident on the face of the report and recommendation." Upon independent review, the Court finds that there is no error of law or other defect evident on the face of the Report and Recommendation. The Court therefore adopts the Report and Recommendation.

Accordingly, in accordance with the Special Master's recommendations, the Court denies Requester's claim for public records, assesses court costs against
