Subject: Erin Short

Good evening,

You may consider this a prank but it is not a prank. Erin Short had a relationship with a student several years ago. Her partner, Renee Davis knew about it, as did Terry Brownlow, the assistant principal at the time and her sister who works in Strongsville schools. I urge you to investigate this matter.

I have been quiet but now that I have my own children, I realize what a threat she is. I am sure she has many "favorite seniors" all of whom happen to be female athletes.

I also urge you to look into her emails from 2004-2007.
