Reply to @galmonds: June talks like she knows what she is talking about but I don't think she does. I watched one meeting where she went on about how the pool loses money every year and that it is getting old and we are soon going to have to spend millions to rebuild it. The pool is only 15 years old and it was built well and should last more than 50 years with good annual upkeep.

Jill DeLong gets beat terribly if only hart or Loeb run instead of splitting the vote of the majority of voters who think the school board and admin must change. Same thing in the 4 year race with Gray easily beating Walsh if only one less candidate ran. Maybe the school leadership will stop acting so arrogantly and believing that everyone thinks they are terrific after this election where 65% of votes were cast for candidates who don't think they are doing a good job. I doubt they will since arrogance and being tone deaf to how people view them is their biggest problem. « less
