Examinee Background Summary

A letter dated August 20, 2025 was sent to Governor Gianforte requesting the suspension of Commissioner Brad Molnar. The letter stated that Commissioner Molnar was under investigation for allegations of misconduct in the workplace. It stated the request for his suspension was due to Commissioner Molnar's attempt to derail the investigation.

Suitability

Randall S. Pinocci (Randy Pinocci) relayed relevant health information to the polygraph examiner. Upon evaluation of this health information, Randy Pinocci was deemed suitable to take a polygraph examination.

Exam Result

No Deception Indicated

An analysis of the physiological responses on the polygraph charts of the examinee indicated no deception. It is the opinion of this examiner that the examinee was being truthful regarding Commissioner Wellborn telling him he would stop the letter to the Governor, if he could chair the Public Service Commission session.

Relevant Question 1: Did that man tell you he would vote to stop that letter? [Yes]

Relevant Question 2: Did that man tell you he would vote to stop that letter, if he could chair that session? [Yes]

Relevant Question 3: N/A

Relevant Question 4: N/A

Testing Format Used

RQ1 & RQ2 Bizone

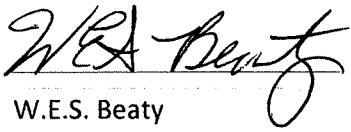

Pretest Summary

During the pretest interview, Randy Pinocci relayed the following set of events:

In September 2025, Randy Pinocci met privately with Commissioner Jeff Welborn in Commissioner Welborn's office. Commissioner Welborn said he would not allow the letter to go to the Governor, if he could chair the Public Service Commission (PSC) session. Randy Pinocci sent Commissioner Welborn to talk with Commissioner Molnar. Commissioner Molnar allowed Commissioner Welborn to chair the PSC session. During the PSC session, Commissioner Welborn voted to send the letter to the Governor.

Post Test Summary
