

# FARM SUCCESSION: Navigate The Transition

Succession coordinators work with families and operations to navigate the transition of the ag operation to the next generation. The coordinators work in tandem with attorneys and accountants to make sure that the succession plan is feasible.

Succession coordinators are available as a service of the Wyoming Agriculture and Natural Resource Mediation Program.

## **Succession coordinators work with the family to identify:**

- Where do you want it to be?
- How do you get there?
