APY = Annual Percentage Yield. APY effective as of 08/31/2026. New money only. Dividends compounded and deposited monthly. Early withdrawal penalties apply. Account fees could reduce earnings. Rates subject to change at any time. Federally insured by NCUA. This promotional rate will not be combined with any other promotion or rate adjustment. At maturity, share certificates renew into a standard 12-month term at the then-current rate.
