

# **FULL-TIME**

## **Water Utility Maintenance Worker**

The City of Columbus has a current job opening and is accepting applications for the position of a fulltime Water Utility Maintenance Worker.

This is semi-skilled and skilled work in reading of AMR meters, installation, maintenance and repair of the city's water meters, water distribution system and wastewater collection system. Work is performed under the general supervision of the Water Utility Supervisor and/or the Water Utility Maintenance Worker II, and the employee exercises limited independent judgment in deciding which procedures to apply in the completion of assignments. The position requires that you receive a certificate in Water and Wastewater Operation.

Pay Range is \$17.31 – 23.36 per hour and offers a competitive benefit package.

Obtain applications from the City of Columbus, 2424 14 St, Columbus, NE or download from the City of Columbus website. All applications must be submitted to Tammy Orender by Friday, August 16, 2019.
