

Medically necessary

BREAST REDUCTION SURGERY

in Columbus.

Large, heavy breasts can limit your ability to move comfortably and stay active. Breast reduction surgery can ease chronic pain and improve your quality of life.

Dr. Jesse Meaike is a board-certified plastic and reconstructive surgeon that uses advanced methods to enhance your appearance, alleviate pain, and reduce visible scars for a result that's right for you.

Relief is closer than you think. Expert, personalized care in Columbus, helping women regain strength, confidence and comfort.
