Pollastrini opens new clinic

Dr. Matt Pollastrini is pleased to announce the opening of Pollastrini Optical Outlet December 17, at 1300 10th Avenue SW in waverly.

Dr. Pollastrini came to Waverly in 1994, straight out of the Kansas VA hospital residency program, looking to start his optometry career and bring a new era of eye care to the Waverly community. After nearly 32 years, he is grateful for all the Waverly community has offered.

"I am very thankful to the many patients and friends that have supported my business for so many years. My staff and I are now committed to bringing a new age of eye care to the Waverly community", Pollastrini said.

"While I started Pollastrini and Bollman Eye Care in 2014, I am no longer providing care at that business or new location. The business was sold to a New York-based private equity company in 2020."

"In my opinion, healthcare should be provided with true care and concern for the patient. I am committed to offering the highest quality service and products my patients have come to expect."

"The eye care industry, with the expansion of online retailers and discount optical chains, has changed a lot over the years. You don't always get what you pay for or deserve as a consumer," Dr. Pollastrini noted.

He and his experienced staff are committed to providing the same level of highest ethical, fair and quality

eye care, now at an even more affordable price, he said.

Dr. Pollastrini is also the business partner of Dr. Amy Hartmann, of Amy Hartmann Eye Care in Cedar Falls. "Dr. Hartmann and I went to optometry school together and have been friends for over 30 years. She is like a sister to me, and has provided exceptional patient care to the Cedar Valley for over 30 years."

"Dr. Hartmann and I are now very excited to announce that our schoolmate and good friend, Dr. Vonda Capper, has joined our group. She is a wonderful person and excellent doctor."

Dr. Capper brings over 30 years of eye care experience to the Cedar Valley. A native of West Branch, Iowa, Capper and her family are relocating to the Cedar Valley following many years of practice at North Iowa Eye clinic in Mason City.

"Patients will truly appreciate her eye care expertise, as well as her kind, caring manner."

Pollastrini Optical Outlet will provide something unique to the Waverly community: The highest quality care, service, and products at a very affordable price. We are conveniently located at 1300 10th Avenue SW in Waverly, with easy access off 10th Avenue SW and abundant parking.

"Not only will you find great value at Pollastrini Optical Outlet, but you will also see many familiar faces, who bring decades of eye care experience

DR. MATT POLLASTRINI

DR. VONDA CAPPER

to our clinic. Our entire staff brings a level of service and true professionalism like no other I have been associated with, or had the pleasure of working alongside" said Dr. Pollastrini. "You will be treated like family, and I am proud to have my name on this business."

"Patients will quickly learn we are offering the exact same contact lenses well below our competitors, and even less than online retailers. Our website PO2Vision.com offers a convenient way to order your contact lenses through the YourStore link with any valid contact lens prescription, wherever you had your eye exam. We even offer free shipping directly to your door. Once inside our clinic, you will find a large selection of quality eye-

glass frames and lenses at prices much less than market rates. Bring in any providers current glasses prescription and we will save you money!"

"I look forward to reconnecting and caring for so many patients and friends again. In addition, I am excited to have the Waverly community get to know and trust Dr. Capper as I do. She is an excellent addition to our business, and just a really nice person," added Dr. Pollastrini.

"As we are locally owned and operated, we look forward to showing our patients, and the Waverly community, how much experience truly matters, at a price they deserve. Please visit our website to see updated special offers including your chance to win a \$500 gift card towards glasses or contacts!"
