PRAIRIE GROVE METAL & SUPPLY

From the House, Shop or Barn...

We serve our customers with superior building products, and the most outstanding service experience possible!

Joe and the crew out there were just great to work with every step of the way if we had issues, they were quickly rectified and figured out. Wilber the person who built it was just awesome to work with if we had a little tweak or something we wanted to change I didn't throw a bunch of extra labor and money on the bill so he was very adaptable which was really important to us that Insulation is always best from them guys. It's really good and just really solid. All around. The lumber was good quality. The windows are excellent. The service was top-notch.
 Josh

We can't say enough good things about Prairie Grove Metal & Supply! They truly brought our dream home to life with incredible craftsmanship and care. The entire team was professional, responsive, and went above and beyond to make sure every detail was perfect. Everything was delivered on time, and we're so happy we chose them.
