

# Your Community. Your Health. Your Voice.

Virginia Gay Hospital is exploring opportunities to expand rehabilitation and wellness services in the Atkins-area community—and we want to **hear from you.**

**As part of this planning process, we are gathering feedback from residents about:**

- Access to Physical Therapy and the need for expanded services
- Interest in adding Occupational Therapy and Speech Therapy
- Challenges related to distance, scheduling, and availability
- Potential interest in wellness or fitness options connected to therapy care

## Take Our Community Survey
