Z100 - America's Greatest Hits!

Brand new, no apologies. We're not playing nice. Iowa's the second-highest cancer rate in the country. We're done pretending.

This station? We smashed every rule. No safe playlists, no ad puppets, no corporate leash. Just brutal, unfiltered signal - blasting the truth of poisoned soil, pesticide drift, nitrate wells, fluoride and the chemicals that kill quietly.

We have teamed up with other Chemically impacted communities across the nation to expose what needs to be exposed.

Z100. We're loud, we're raw, and we're not shutting up. Turn it on - or get out of the way. List online at MyRadioZ.com
