## Melinda Schoettmer for Treasurer

I have had voters ask what the role of County Treasurer is. Many understand the office's basic duties of collecting property taxes, providing motor vehicle services, and handling driver's license and identification services, but there is so much more that happens behind the scenes that the treasurer is responsible for:

As Benton County Treasurer, I am responsible for the management and oversight of the county's financial operations. This includes the daily collections, receipting, balancing, and depositing of all county funds into the appropriate accounts. Accounts are monitored daily and I ensure that funds are transferred as needed to meet payroll and claims obligations, while maintaining strict financial accountability. I invest public funds safely to generate additional income for the county and work closely with other county departments to support budgeting and operations.

In addition, I maintain the property tax collection system, including the collection process, administration of special assessments, and oversight of all related records. I conduct the annual tax sale, process required notices for tax sale certificates, and issue tax deeds in accordance with the Iowa Code. As Treasurer I balance, prepare, plus review detailed monthly financial reports and disburse collected funds to cities, schools, and townships throughout the county.

As a leader, I provide consistent, experienced, and knowledgeable guidance to a team of six employees, ensuring our office delivers excellent customer service and a positive experience for the citizens we serve.

**Please remember to vote June 2, 2026 in the Primary.**

## CITY OF VINTON PUBLIC ANNOUNCEMENT

### THE CITY IS PLANNING TO SPRAY FOR MOSQUITOES AGAIN THIS SUMMER

City certified pesticide applicators will spray an ultra low volume non thermal aerosol (cold fog) to control adult mosquitoes in residential and recreational areas and other non-cropland areas where these insects are a problem. The city may use KONTROL 4-4, MOSQUITO MIST 1.5 ULV or PYROPHOS 1.5. Best results are achieved when the temperatures are cooler and the wind speed is below 10 mph. The city plans to fog Monday and Thursday evenings or early mornings. If unable to fog on designated days, Tuesday and Friday will be alternate days.

No special precautions are necessary for residents normally, but you may call the Mosquito Hot-Line at 1-800-323-5727 or the City office for information.

From the House, Shop or Barn...

We serve our customers with superior building products, and the most outstanding service experience possible!

Joe and the crew out there were just great to work with every step of the way if we had issues, they were quickly rectified and figured out. Wilber the person who built it was just awesome to work with if we had a little tweak or something we wanted to change I didn't throw a bunch of extra labor and money on the bill so he was very adaptable which was really important to us that Insulation is always best from them guys. It's really good and just really solid. All around. The lumber was good quality. The windows are excellent. The service was top-notch.  
 Josh

Josh Karsten, Deputy Sheriff also mentioned the federal inmate contract has been approved with the increased daily rate and is on the agenda next week.

FY 27 Budget Hearing was set for 9:30 a.m. and the time arrived and was declared open by Chairman Seeman. The public was able to provide input. Jill Marlow addressed the board about the budget, the reserves and unspent balances also referring to the Iowa for Tax Relief's report. She mentioned freezing hiring with a moratorium and asked the board if they had officially set the number of employees per office. Marlow went on to say that employees are the county's best asset and didn't want them to balance the budget on the backs of their employees. Marlow addressed the sheriff's department's budget and IT, asking why expenses weren't going down if the equipment had been bought. Sheriff Deputy Josh Karsten explained some of changes made and stressed how they have worked hard to generate more revenue and how they have implemented other procedures to help lower their expenses including jail medical costs. Marlow ended by advising the Supervisors that they need to drive the change with cutting expenses and not push their expenses onto other tax entities.

After no further public comments, Seeman called the public hearing closed at 9:53 a.m.

Volz moved/Seeman seconded: To approve Resolution #26-31, Adopting FY 27 Budget. Seeman and Volz voting aye. Motion carried.

**RESOLUTION #26-31**  
**ADOPTION OF THE FY27 COUNTY BUDGET**  
**BE IT REMEMBERED** that on the 21st day of April 2026, the Board of Supervisors of Benton County, Iowa, met in session for the purpose of holding a public hearing on the proposed budget for fiscal year 2026-27 as filed with the Board. There was present a quorum as required by law. The notice and place of hearing had, according to law and as directed by the Board, been published in the Gazette, Cedar Valley Times, and Vinton Eagle, the official newspapers published in Benton County.

The budget was then taken up and considered. The public was provided an opportunity to speak.

The County Compensation Board recommendation for FY27 salaries for selected officials and as set forth and adopted in Resolution #26-18 is included in the FY27 budget.

**BE IT FURTHER RESOLVED** that a committed fund balance designation of the ending fiscal year fund balance be established for the following purposes:

- General Fund-\$647,000 equipment/vehicle replacement, Emergency response, infrastructure
- Rural Services Fund - \$47,000 land use administrator vehicle replacement
- EMS Revolving Loan Fund - \$125,610 for emergency services loans
- LOSST Fund - \$115,000

FURTHER the commitment of fund balances indicates that Benton County prefers to use available financial resources for the specific purposes set forth above, and although committed, the funds are to remain an integral part of the spendable or appropriable resources of Benton County.

The budget as adopted will approve the following property taxes for fiscal year 2026-27 (without gas and electric):

General Basic	\$6,649,665
General Supplemental	\$4,189,080
Rural Services Basic	\$4,224,768
Debt Service	\$ 798,116
Voted Emergency Medical Services	\$1,291,935

IT IS THEREFORE RESOLVED, by the Benton County Board of Supervisors that the FY27 budget is hereby adopted.

Dated this 21st day of April, 2026.
