We can stop HIV, Iowa: by staying up-to-date on recommended screenings!

Health screenings help identify illnesses before you have symptoms. The CDC recommends:

All people ages 18+ get screened for hepatitis B at least once in their lifetime.

Pregnant women get screened for hepatitis B during each pregnancy.

Talk to your healthcare provider today!

Scan the QR code to learn more about hepatitis B screening or visit: cdc.gov/hepatitis-b/testing/

Oelwein Daily Register

HELPING YOU *grow* YOUR BUSINESS

TRANSCO EVENTS ON FREDERICK

"Sitting down at my desk one morning to start the day here at Events on Frederick I noticed on the business phone there was a "voicemail" alert.

I checked that voicemail to find a message from a perspective bride looking to book a date & time to tour our venue with her mother in the near future.

I rang the number back she had left on the voicemail to line that meeting up. Towards the end of our conversation, I asked this young lady where she had heard about our venue & its amenities.

She answered rather matter-of-factly: "We saw your advertisement in the Oelwein Daily Register." Subsequently after our meeting to tour the venue & share all we offer, this "very happy to have finally found a venue she loved" bride-to-be booked our three-day wedding package without hesitation.

Just one of the examples of how our hometown publication works perfectly in conjunction with Events on Frederick."
