Why you need dental insurance in retirement.

Medicare doesn't pay for dental care.¹ That's right. As good as Medicare is, it was never meant to cover everything. That means if you want protection, you need to purchase individual insurance.

Early detection can prevent small problems from becoming expensive ones.
The best way to prevent large dental bills is preventive care. The American Dental Association recommends checkups twice a year.

Previous dental work can wear out.
Your odds of having a dental problem only go up as you age.²

Treatment is expensive — especially the services people over 50 often need.
Unexpected bills like \$299 for a filling ... \$1,471 for a crown³ can be a real burden, especially if you're on a fixed income.

When you're comparing plans ...

- ▶ Look for coverage that helps pay for major services.
- ▶ Look for coverage with no deductibles.
- ▶ Shop for coverage with no annual maximum on cash benefits.

Simply put – without dental insurance, there may be an important gap in your healthcare coverage.

¹"Medicare & You," Centers for Medicare & Medicaid Services, 2025. ²"Aging changes in teeth and gums", medlineplus.gov, 4/17/2022. ³FairHealth, Inc. National average dental fees. Data current as of July 2025; subject to change.

HELP WANTED

Environmental Education Coordinator

This position, under the direction of the Fayette County Executive Director, is responsible for developing, organizing, and presenting the Fayette County Conservation Board's education program. The Environmental Education Coordinator educates the public about the county's natural environment and promotes environmental responsibility and stewardship by presenting programs in schools, at county facilities and other public settings.

A two-year college degree and one year experience in a natural resources, conservation or education field is required. Must have a valid Iowa driver's license, be insurable by the county's auto insurance policy, and must successfully complete a post-offer job-related medical examination. Fayette County residency is required.

Fayette County Conservation invites qualified candidates to apply via county online application

PRAIRIE GROVE METAL & SUPPLY

From the House, Shop or Barn...

We serve our customers with superior building products, and the most outstanding service experience possible!

Joe and the crew out there were just great to work with every step of the way if we had issues, they were quickly rectified and figured out. Wilber the person who built it was just awesome to work with if we had a little tweak or something we wanted to change I didn't throw a bunch of extra labor and money on the bill so he was very adaptable which was really important to us that Insulation is always best from them guys. It's really good and just really solid. All around. The lumber was good quality. The windows are excellent. The service was top-notch.
 Josh

We can't say enough good things about Prairie Grove Metal & Supply! They truly brought our dream home to life with incredible craftsmanship and care. The entire team was professional, responsive, and went above and beyond to make sure every detail was perfect. Everything was delivered on time, and we're so happy we chose them.
