

KIRKWOOD CORPORATE TRAINING

# **EMPOWERED FOR SUCCESS: THE POWER OF RESPONSIBILITY AND ACCOUNTABILITY**

**Do you want to continue to grow, gain confidence, strengthen relationships, and achieve more positive outcomes?**

You can! Through ownership of our roles, we find power to impact our own growth and success, the strength of our teams, the satisfaction of our customers, and the overall success of our organization.

In this engaging workshop session, you'll explore what responsibility and accountability really mean — and how they can lead to having great satisfaction in our work, positive outcomes, personal growth, and more! Gain practical strategies for strengthening these skills, supporting both personal and organizational success. You'll walk away with actionable tools to help you — and those around you — thrive.
