★ ROUNDUP FOR DANN KIME CANCER BENEFIT ★

AUGUST 29TH, 2026
Starting at 4:30 p.m.
Waucoma Event Center

This past year has brought unexpected challenges for Dann Kime and his family. After experiencing severe back pain in late June and early July, a trip to the doctor revealed Dann had Stage 4 Neuroendocrine Carcinoma, a slow-growing cancer that had already spread throughout his body. Although there is no cure, the oncology department felt optimistic about Dann's length and quality of life. One of the most difficult moments came when Dann lost feeling in his legs in September due to tumors pressing against his spine. Emergency surgery successfully removed the tumors and relieved the pain, but it left him paralyzed from the waist down. Dann was finally able to return home to continue healing surrounded by family and friends. Since then, he has faced countless doctor visits, treatments, hospital stays, surgery, and further rehabilitation.

PRAIRIE GROVE METAL & SUPPLY

From the House, Shop or Barn...
We serve our customers with superior building products, and the most outstanding service experience possible!

Joe and the crew out there were just great to work with every step of the way if we had issues, they were quickly rectified and figured out. Wilber the person who built it was just awesome to work with if we had a little tweak or something we wanted to change I didn't throw a bunch of extra labor and money on the bill so he was very adaptable which was really important to us that Insulation is always best from them guys. It's really good and just really solid. All around. The lumber was good quality. The windows are excellent. The service was top-notch.

Josh

We can't say enough good things about Prairie Grove Metal & Supply! They truly brought our dream home to life with incredible craftsmanship and care. The entire team was professional, responsive, and went above and beyond to make sure every detail was perfect. Everything was delivered on time, and we're so happy we chose them.
