

HELP WANTED

Member Service Technician

East-Central Iowa Rural Electric Cooperative (ECIREC) is hiring a Member Service Technician to join our team in Vinton or Independence, Iowa. This full-time position involves installing, inspecting, and repairing electrical and metering systems, troubleshooting energy issues, and providing expert advice to members. Candidates must have a high school diploma or equivalent, 2+ years of electrical experience, and a valid electrician's license. Competitive pay and benefits offered.
