August is National Immunization Month. Back to school season is in full swing, it only makes sense that August is National Immunization Awareness month. With back to school on the horizon, it makes sense that parents should pay special attention to what vaccines their children need for school, and what vaccines are optional.

According to the Iowa Department of Education and the Iowa Public Health Code Chapter 641 Chapter 7, for any child entering school or returning to school, an immunization record is needed for admission. An immunization record is needed for school, and what vaccines are optional. Children need for school, and what vaccines are optional.

In Virginia, children need for school, and what vaccines are optional. Children need for school, and what vaccines are optional.

This is another fund raiser that the Buchanan Co. Historical Society received a 'Certificate of Preservation or Education Activity.' The public event was created to include the 'vaults'. The current voter approved PPEL is board approved for $0.33 which is the $0.40 voter-approved which creates $210,000 for the district. The voter approved PPEL would increase by $0.27 from $0.40 to $0.67 creating a total PPEL of a flat dollar. The voter approved PPEL would increase by $0.27 from $0.40 to $0.67 creating a total PPEL of a flat dollar. The voter approved PPEL would increase by $0.27 from $0.40 to $0.67 creating a total PPEL of a flat dollar.
