Food Pantry Establishes Fund to Provide Sustainable Support

INDEPENDENCE – The Independence Area Food Pantry has established the Independence Area Food Pantry Quasi Endowment Fund with the Buchanan County Community Foundation to support the charitable activities of the food pantry.

The mission of Independence Area Food Pantry is to provide a five-day supply of nutritionally balanced meals with genuine friendliness and regard for the dignity of its clients, the food pantry of Buchanan County. Partnering with local retailers, the pantry also rescues food that would otherwise go to the landfill and instead, getting it to people who are in need.

"While we rely on the support of our local community for funding and volunteer staffing, creating the quasi-endowment fund also provides a sustainable source of funding to assist the food pantry with ongoing needs," said January Rowland, director of the Independence Area Food Pantry.

The Independence Area Food Pantry Quasi Endowment Fund is professionally managed and invested to grow over time but allows increased flexibility to access funds when needed.

INDEPENDENCE – The City of Independence Water Department has updated the schedule for the water main flushing program. It will now start on Monday, May 9. It will continue over the next few weeks.

Flushing will begin at 7 a.m. each day. Mineral deposits may be dissolved and cause discolored of water. This will clear up in time. No bacterial problems will exist, and water will continue to be safe to use. Although we will do the town will not be responsible for any clothing damaged.

Water being flushed from a main water line.

The citywide cleanup on June 11, it is intended to assist Independence property owners by having away items not normally placed at the curb for regular weekly garbage pickup (i.e., appliances, boxes, furniture, fence posts, etc.). Be sure to let your friends and neighbors know about this event, which runs from 7 to 11 a.m. (unless otherwise indicated) for 2022. It is for residential use only.
