

FOUR MIDDLE SCHOOL OPTIONS

	THE PLAN	PRELIMINARY ESTIMATED COST
OPTION 1	2 new middle schools	\$52.5 million per school, \$105 million total
OPTION 2	Renovate 2 existing elementary schools to house middle schools*	\$50.5 million-\$109.5 million
OPTION 3	Renovate 1 existing elementary school, build 1 new middle school	\$52.5 million for new school, \$25.3 million-\$109.3 million to renovate existing building
OPTION 4	Combining 2 high schools into 1 facility, using second building as middle school**	\$63.9 million-\$108.4 million

* Elementary schools under consideration are Martin, North Cumberland, South Cumberland and Stone

** Plan calls for CCHS to serve as consolidated high school, using SMHS as new middle school facility
