This year, we celebrate the **20th anniversary** of our “Best Of” program and the sixth year for the “Best Of Cumberland County” contest.

Over 4,000 local readers logged on this past May to cast more than 62,000 votes for their favorite Cumberland County businesses. The highest level of participation in the 20 year history of the contest!

If you were one of the 4,000 who participated, thank you! If you weren’t, then I encourage you to venture out in our local communities and support the businesses highlighted on these pages. Try a new restaurant, visit a new salon, or stop by that shop down the street. Locally owned businesses form the foundation of our communities and your personal and economic support make that possible.

I know every local business owner takes great pride in their business and I congratulate each and every one of you for your hard-work, determination and commitment to our local communities! Cheers!
