To the WINNERS, FINALISTS, VOTERS and READERS

The newly redesigned Best Of Contest did not disappoint in its 21st year of celebrating all things Cumberland County. With a new look, logo, nomination phase and a voting process to highlight the program, the community showed up and the participation was bigger than ever...
...More than 4,250 registered voters
...More than 32,000 nominations made
...and more than 87,600 votes cast!

That's a 41% increase over 2021, WOW! A sincere thank you to all the readers who took the time to nominate and vote for their favorite local businesses! You rock and we couldn't do this without you!
If you weren't one of the many local readers who participated, I encourage you to venture out into our local communities and support the businesses

highlighted on these pages. Try a new restaurant, visit a new salon or stop by that shop down the street. I bet you will be glad you did!
Now on to the winning businesses themselves. Within the pages of this special edition you will see the top three businesses in 153 various categories. The business with the most number of votes will be listed as the WINNER and next two businesses will be listed as FAVORITES in alphabetical order.
Thank you to all the business in our community. Thank you for creating jobs for ourselves and our families. Thank you for providing the products and services we need. Thank you for servicing our homes, our cars and ourselves. You make it possible for us to stay sane and stay on top of our complicated and ever-changing lives.

PROMOTIONAL ITEMS FOR WINNERS AND FAVORITES
All businesses listed in this special edition are eligible to purchase promotional products from our Best Of Cumberland County Online Shop including car decals, yard signs, window clings and so much more. For more information and to get the link to the shop, please email kkamowski@cumberlink.com with your business name and contact information.

THANKS AGAIN. AND AGAIN.
AND AGAIN. AND AGAIN. AND AGAIN.

CUMBERLAND COUNTY DESERVES THE BEST. That's why we couldn't be prouder that our digestive health practice has been voted Best Medical Specialist five years in a row.

Today we're also proud to be able to offer our patients the benefit of a GI Genius™ -enabled colonoscopy, a new technology that uses artificial intelligence to diagnose colon cancer with unprecedented accuracy.

As the leading GI network in the Northeast, US Digestive Health is deeply committed to helping our patients, and our community, stay healthy to the core. Thanks again for recognizing that commitment.

If you're 45 or older, it's time to schedule your colonoscopy. It could save your life!
