Website: cpyb.org
About our business: World-Class Ballet Training Right in Cumberland County

It's not surprising Central Pennsylvania Youth Ballet (CPYB) is recognized as the "Best of Dance Studios in Cumberland County" because they are already a world-recognized leader for exceptional dance education. In fact, students have come to CPYB from every state in the nation and many international countries to learn from the school's renowned faculty.

CPYB offers training to students at all levels from beginner to pre-professional. The littlest dancers begin their ballet journey in CPYB's Children's Division, which introduces 3 to 6-year-old girls and boys to the joy of dance. The program is a bridge to further dance training, ensuring children receive the best in dance education from day one.

For 60 years CPYB's proven teaching syllabus has provided students a solid foundation for success. Alumni continually grace the stages of the world's most prestigious ballet companies and pursue paths that have an impact on the dance world. No matter what career path students take, they all learn valuable life skills at CPYB: focus, discipline, self-confidence, commitment and poise.

Nicholas Ade, CEO, explains CPYB's mission. "We are proud to inspire, educate and enrich lives. We do this through ballet training, exposing children to the arts, providing an opportunity for students to perform, and bringing in the best-of-the-best faculty."

Its clear CPYB is changing lives through dance. Just talk to any parent. "There is no doubt the benefits of dance extend beyond the studio walls. Our daughter's confidence has blossomed. She is learning that it takes hard work and commitment to achieve a goal. These skills will serve her well throughout life," says mom Joi Corrado. "We are so fortunate to have access

Additionally, they are happy to sell their homemade BBQ sauces on site and can provide bulk orders if necessary. They are thrilled to be a part of the Carlisle community- a place that they love and are happy to call home.
