

Fionna Fayette Coloring Contest

In celebration of the country's 250th birthday, the Fayette County 250th has introduced Fionna Fayette and her friend, Quincy the Cat. Fionna was created as the children's ambassador. She's sharing stories of history in celebration of the country's 250th anniversary of the Declaration of Independence.

This stained glass arch along the GAP Trail in Connellsville, PA celebrates local craftsmanship and history. The glass was made using materials from the Youghiogheny Opalescent Glass Factory, a well-known part of the region's heritage. The Great Allegheny Passage (GAP) Trail stretches 150 miles and passes right through Fayette County.
