Mike MacAdam's take

I'm siding with Nitrogen in the Alabama. The mile and a quarter remains a question for all of them except for Queen Azteca, but I don't trust Good Cheer after her dud in the Acorn and La Cara missed a much-needed start last time in the CCA Oaks when Mark Casse's barn was quarantined at the last minute. I'll put Good Cheer in second and La Cara falling back to third after leading much of the way.
