Mike MacAdam's take

Looks like Corruption might try to take them all the way in the Belmont Gold Cup, but at the crazy two-mile distance, I'm willing to bet that Tawny Port can pick up the pieces at the end. He has lost 17 straight going since winning the 2023 John's Call at a mile and five-eighths at the Spa, but has been knocking on the door at a mile and a half since last August.
