Mike MacAdam's take

At 8-1, I'll take a shot of Stress Relief in the Adirondack. She's by Not This Time, was impressive first time out, and trainer Kinnon LaRose wins 23% of the time with 2-year-olds for an ROI of \$2.87, albeit from a very small sample size. Pierette looms as a huge threat, so she gets the second spot, then I'll round out the superfecta with Washton and Caroline's Girl, because Steve Asmussen is having a tremendous meet, while Saffie Joseph is not. I'll stick with my original picks in the Curlin (Chief Wallabee) and Glens Falls (Bellezza) after those races were rescheduled because of the rain and were redrawn with a few additions and subtractions.
