

Emergency Water Restriction Announcement Date: 8/4/2026

Shamokin Dam Water customers. Due to the recent storm conditions affecting our region, north and northwest of the Borough, we must implement emergency water restrictions to conserve our precious water resources. We have been unable to produce usable water. Because our equipment is overwhelmed with the amount of sediment in the river. This decision is made to ensure that we can provide adequate water supply for essential uses.

Effective Immediately: No Outdoor watering • All non-essential water uses such as washing vehicles, driveways, or sidewalks are restricted. • All residents are encouraged to use water-saving techniques indoors and outdoors.

We appreciate your understanding and cooperation during this critical time. Together, we can work to conserve water and protect our community's resources.

NOTE: Our current water supply is safe. But; our reservoir is nearing a critically low level.

PLEASE CONSERVE IMMEDIATELY -REFRAIN FROM ANY NON-ESSENTIAL USAGE.

Sincerely,

Donald E. Musser, Mayor

Shamokin Dam Borough
