

Expression of Interest for Chief Executive Officer (CEO)

Air Vanuatu (Operations) Limited (AVOL)

- The Air Vanuatu (Operations) Limited Board is committed to a transparent and robust process in the refreshed continuation of CEO recruitment aligned to current strategy, reflecting the organisation's current priorities and future direction.
- Contract full-time position open to All Applicants
- Based in Port Vila

The Organisation

Air Vanuatu is the national carrier of Vanuatu, connecting the country to key regional and international destinations while supporting domestic travel across the islands. In 2026, the airline is focused on rebuilding and strengthening operations, enhancing reliability and customer experience, and aligning its services with the nation's tourism and economic recovery. With a commitment to safety, service, and national pride, Air Vanuatu plays a vital role in linking communities and showcasing Vanuatu to the world.

The Position

The CEO will be providing visionary leadership to Air Vanuatu (Operations) Limited, driving operational excellence, financial sustainability, and superior customer experience. The CEO is responsible for achieving strategic objectives under the Commercial Government Business Enterprises Act 2024 (CGBE Act), ensuring that AVOL is a safe, reliable, and commercially successful airline, while protecting shareholder investment and maintaining compliance with all regulatory frameworks.

This role combines strategic oversight, operational management, financial stewardship and stakeholder engagement to ensure AVOL delivers world-class performance as a national carrier.
