

Project Manager – Vaughan Construction

 Port Vila, Efate | Full-Time | 1-Year Contract

Vaughan Construction is seeking an experienced Project Manager to lead carpentry works across residential and commercial builds, and mentor our Ni-Vanuatu carpentry team.

Requirements:

- 4+ years' practical carpentry experience
- Certificate III in Carpentry or equivalent
- Proven crew leadership experience
- Strong knowledge of construction drawings & WHS practices
- Valid driver's licence

Role includes: site supervision, quality control, materials coordination, and structured on-the-job mentoring for local staff.

Report to: Director

Start: September 2026
