

ReNew Pacific Senior Portfolio Manager – Energy & Development Palladium International Ltd

- Seeking for a Senior Portfolio Manager – Energy & Development – Come join ReNew Pacific team!
- Contract full-time position open to Vanuatu Citizens and Residents
- Based in Port Vila with travel to the islands

The Organisation

Palladium is a global leader in the design, development, and delivery of Positive Impact – the intentional creation of enduring social and economic value. We work with governments, businesses, and investors to solve the world's most pressing challenges. With a team of more than 4,000 employees operating in 90-plus countries and a global network of over 35,000 experts, we help improve economies, societies, and, most importantly, people's lives.

Program Background

REnew Pacific is a A\$75M program over 4.5 years. It aims to scale and expand on the critical lessons learned in the DFAT-funded Business Partnerships Platform (BPP) pilot to support DFAT and the Australian Infrastructure Financing Facility for the Pacific (AIFFP) to address climate infrastructure mitigation, adaptation and resilience among Pacific states and help Australia be the climate infrastructure partner of choice in the Pacific.

The Position

The Senior Portfolio Manager - Energy & Development - REnew Pacific will support review of off-grid renewable grant proposals to ensure it aligns with the technical, commercial and partnerships aspects. The Senior Energy and Development Manager will be an integral team member of the REnew Pacific program and contribute to developing and delivering a portfolio of off-grid renewable energy projects in the Pacific and Timor Leste.
