

Subcontractor Bid Solicitation

Project: Affordable Housing Development - Pathways Place - Ellensburg, WA

Scope: 4 buildings totaling 78 affordable housing units, including the renovation of 33 units from an existing motel, a new common building, and related site improvements.

Deacon Construction is soliciting all interested subcontractors and suppliers, as well as certified Minority, Women, and Minority-Women (MBE/WBE/MWBE) owned companies. We highly encourage Section 3 subcontractors and Section 3 employees for non-Section 3 subcontractors to participate in this exciting affordable housing project in Ellensburg, Washington.
