

REQUEST FOR QUALIFICATION

For Engineering Services

Kerr County is currently seeking to retain an engineering firm for design services for repair of the Flat Rock Dam (Kerrville Lake Dam TX02457). A dam safety inspection performed by the Texas Commission on Environmental Quality (TCEQ) on July 22, 2026, identified damages to the dam as a result of the July 16, 2026 flood. Anticipated engineering services are for project dam design plans and specifications and environmental permitting required to satisfy TCEQ and FEMA review and approvals.

The submission requirements for this proposal are also included on the attached Request for Proposals (RFP) form. Firms and/or individuals should have past experience with federally funded programs. Please submit 5 copies of your response to the RFP of services, referencing to the following address: *Kerr County Clerk's Office, 700 Main St. Rm. 122, Kerrville, TX 78028*. All questions relating to the RFQ shall be presented in writing at least 96 hours prior to the due date to Bobby Gore at bobby.gore@engineering.kerrcountytexas.gov.

The deadline for submission of RFQs is **November 6, 2026** by **3:00 PM**. Kerr County reserves the right to negotiate with any and all persons or firms submitting RFQs. Section 3 Residents, Minority Business Enterprises, Small Business Enterprises, Women Business Enterprises, and Labor Surplus Area firms are encouraged to submit RQPs. Kerr County reserves the right to negotiate with any and all persons or firms submitting proposals, per the Texas Professional Services Procurement Act and the Uniform Grant and Contract Management Standards. Kerr County is an Affirmative Action/Equal Opportunity Employer.
