

## ADVERTISEMENT FOR PROPOSALS

The Arimak Water Supply Corporation (WSC) (Owner) is requesting sealed Proposals for the following:

### **Radium Reduction System Equipment**

Proposals shall be delivered to the Engineer in digital PDF format, by email at [brittany.white@e-ht.com](mailto:brittany.white@e-ht.com), until **Friday, April 17, 2026 at 3:00 p.m.** local time. Proposer shall call to confirm receipt verbally at 325-698-5560.

The Project includes the following Work:

The selected Respondent to this Request for Proposals (RFP) shall supply a Radium Reduction System with a design capacity of 45 gallons per minute (gpm), consisting of all required equipment, controls, appurtenances, and manufacturer's services as defined herein for a complete and operational system. The Radium Reduction System supplier shall be regularly engaged in the design, manufacture, and assembly of Radium Reduction systems of the size and type specified.

The Radium Reduction system will be installed by a general contractor (GC) in the new pump station building constructed by the GC as part of the Arimak WSC Water System Improvements project, funded by the Drinking Water State Revolving Fund (DWSRF) of the Texas Water Development Board (TWDB). The GC project will be bid separately. The selected Radium Reduction proposal and price will be included in the Contract Documents of the GC project when it is bid.

### **Obtaining the Proposal Documents**

Information and Proposal Documents for the Project can be found at the following designated website:

[www.civcastusa.com](http://www.civcastusa.com)

Proposal Documents may be downloaded from the designated website. Proposers are urged to register with the designated website as a plan holder, even if Proposal Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a sealed Proposal for the Project. All official notifications, addenda, and other Proposal Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Proposal Documents, including addenda, if any, obtained from sources other than the designated website.

### **Instructions to Proposers**

For all further requirements regarding sealed Proposal submittal, qualifications, procedures, and contract award, refer to the Request for Proposal Documents.
