

Kerrville Independent School District

1009 Barnett Street
Kerrville, TX 78028
(830) 257-2200

January 30, 2025

Kerrville ISD is aware of rumors regarding Immigration and Customs Enforcement (ICE) agents allegedly being on campuses in other school districts in Texas. We understand this causes concern, and our district's primary responsibility is to ensure a safe and supportive learning environment so that we can continue to provide the highest quality of education for all of our students. We believe students come first, and meeting our students' needs remains at the heart of KISD's mission. We deeply care for each of our students and families.

As with all public schools in the State of Texas, confidential student information is protected under the Family Educational Rights and Privacy Act (FERPA), and private information cannot be shared without a lawful warrant, subpoena, or permission from a student's legal guardians. The State of Texas requires all Texas public school districts, by law, to educate all students. While our district continues to follow all applicable federal, state, and local laws, our priority is to provide a welcoming and supportive learning environment where all students feel safe, learn and grow.

Kerrville ISD has great relationships with our local law enforcement agencies. Our district administrators work closely with legal counsel to ensure the student rights and information are protected, in complete compliance with FERPA. We are committed to educating and caring for every student in our schools, and our schools are welcoming environments for all who enter.

"Educational Excellence in the Hill Country"
